

The Communicator: Head Start News for Staff and Parents

E.O.P.A. Head Start Program Thanks Our Parents

May, 2009

The Head Start program staff would like to thank all parents for allowing us to serve your families during the past school year. Without you and the children, there would be no program, so thank you so much for choosing Head Start. Please come back in the fall if you have eligible children.

Re-Enroll Now for Fall

We are currently re-enrolling all returning children, their siblings and new children for fall. Please help by letting other families know about Head Start, and by registering your children immediately. Your child must be registered by July 31st. Please call 419-259-5655 if you have any questions.

There is so much work involved in getting all 2,043 children placed in classes and notifying the parents in a timely way. We can only do so if you register now. You are the best advertisers of the program. So, please help us recruit new children.

If you have any questions about registration, please call 419-259-5655.

Proposed Calendar for Fall:

Here are a few dates we are working on:

September 8th:
Staff Returns

September 14th
&
September 15th
Staggered
Enrollment Days

Last Day for Children is Wednesday, May 27th

at least 85% average daily attendance and this last week is important as we count and average up days of attendance. Plus, we just love having the children as we schedule wonderful closing activities. Please come out and join your children in these activities.

During the Summer

This summer, I plan to hold several reading sessions for children and parents. Parents will be taught how to read to young children, and will receive several books for the reading activity. More on this later.

Thank you,
Dr. Sylvia V. Huntley, Head Start Director
